### HANNOVER MESSE 2026

We are currently on the ground at Hannover Messe 2026, the world's leading industrial trade fair! From April 20th to 24th, our team is joining over 4,000 exhibitors in Germany to showcase how we are driving the next wave of industrial transformation.

This year's theme, "Think Tech Forward," perfectly aligns with our mission to blend cutting-edge automation with sustainable energy solutions.
